

# How to use round-ups to donate your change

You now have multiple ways to help Sister Helen Prejean and the Ministry Against the Death Penalty. You can:

- Make a one-off donation
- Make monthly recurring donations
- Contribute round-ups

With round-ups, whenever you make a purchase with a credit or debit card, the amount is rounded up to the nearest dollar and those extra cents go directly to the Ministry Against the Death Penalty.

Because round-ups are something new, we've created this guide to get you up and running.

The guide contains three sections:

[How to sign up for round-ups](#)

[How to ensure you have round-ups activated](#)

[How to set a round-up cap and other limits](#)

If, after reading this guide, you still have questions, please contact [rose@sisterhelen.org](mailto:rose@sisterhelen.org).

## How to sign up for round-ups

1. Go to <https://sisterhelen.org/donate> and click or tap Round-ups.
2. On the next screens, tap Get Started then fill in your details and tap Create Account. (Make sure you save your account details!)

3. A confirmation code will be texted to your phone. Type it into the box and then tap Create Account.
4. Once you've created your account, connect a card to use for round-ups.
5. You'll be stepped through the process of connecting a credit or debit card. This is done securely (through a system called Plaid, which keeps your information completely hidden except from your bank).

Once you're all signed up, you can view your Donor Dashboard at any time by going to <https://sisterhelen.harnessapp.com> and logging in with your account details.

**A few people have told us they had trouble completing the sign-up process and card activation, so please make sure you read the section below.**

## How to ensure you have round-ups activated

Here's how to make sure you have round-ups activated so that your purchases benefit Sister Helen's work:

### If you're on a mobile device:

1. Go to <https://sisterhelen.harnessapp.com>
2. Tap the menu icon – three horizontal lines – in the top right and select Login from the menu.
3. Enter your login ID and password for the account you created when you signed up for round-ups.
4. When your donor dashboard is displayed, you'll see a row of small icons across the bottom. Tap the More icon (three dots on the right).

5. In the My Wallet section, tap Round-up Cards.
6. If you've connected a card, you'll see it listed there. Otherwise, tap Add New Card to connect a card to round-ups. You'll be stepped through authorizing a card directly with your bank.

### If you're on a computer:

1. Go to <https://sisterhelen.harnessapp.com>
2. Click Login in the top right.
3. Enter your login ID and password for the account you created when you signed up for round-ups.
4. On your donor dashboard, click Round-up Cards on the left.
5. You'll see a screen showing any currently linked cards. If you have already linked a card, it will show Round-ups (ON). If you haven't linked a card, click + Add a Payment Source. You'll be stepped through authorizing a card directly with your bank.

## How to set a round-up cap and other limits

1. Go to <https://sisterhelen.harnessapp.com>
2. Click Login in the top right (on mobile, tap the menu icon – three horizontal lines – in the top right and select Login).
3. Enter your login ID and password for the account you created when you signed up for round-ups.
4. On your donor dashboard, you'll see various donation options including One-Time, Monthly and Round-ups. Click or tap Round-ups.
5. The round-ups screen shows your recent round-ups, if any (they take a few days to show up after your purchases). Just above that list, click or tap Settings.

6. On the settings screen, you can adjust your monthly round-up cap from \$10 to \$100. Choose a level that's comfortable for you.
7. On the same settings screen, you can also decide what happens if a purchase you make ends in a round dollar amount, such as \$25.00 or \$100.00. You can set this to donate nothing or to round up to donate a full dollar.
